Decorex International — Stand D26

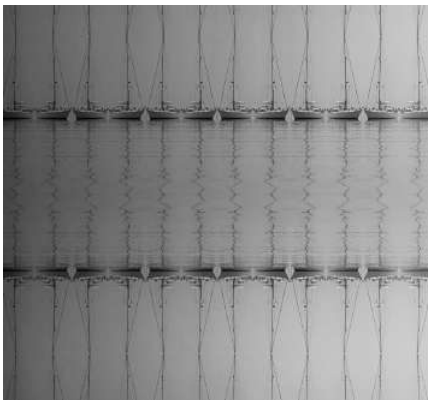

The Shutter Shop is proud to be one of the 400 hand-selected brands participating at this year's 40th edition of Decorex International.

Our newly designed stand showcases our range of hand crafted shutters and a new collection of Honeycomb blinds exclusively launching at the show. We are also collaborating with the talented Kate Cledwyn from KC designs with her wallpaper image designs providing a back drop to our product ranges at our stand, D26.

Our interior wooden shutters in the 47mm, 64mm, 76mm and 89mm louvres are available in a variety of wood and MDF finishes from our Antigua range in craftwood to our Bermuda, Cuba, Fiji and Sumatra ranges in basswood. We also offer a 100% waterproof Java range most suited for bathrooms, kitchen and swimming pool areas. We will also be showcasing a preview of our soon to be launched Aluminium Security shutters.

Our Honeycomb blinds collection are characterised by their unique cellular pleated design that provide a stylish, energy efficient and versatile product for all window types in a vast range of colours to suit the room decor. Our Wooden Venetian blinds will also be available to view as part of the range.

Visit The Shutter Shop at Stand D26 at Decorex International, Syon Park, 17 – 20 September.
